WHAT WE'RE LEARNING

Phonics Reading Writing

Phonics, SPAG, Reading and Writing are led by each child's learning stage and they are grouped for guided reading and writing. Some of our focussed texts next term are Poetry, THE LOST WORDS. Non Fiction OUR PLANET

Maths

In Maths we are learning a few topics across the term. These include

- Multiplication and Division
- Length and perimeter
- Fractions, decimals, percentages
- Mass and Capacity

Thematic

Our Project learning theme is all about OUR LIVING WORLD. Children will be able to choose between two projects to support their learning in our focus subjects of Science and Geography.

A SPOT LIGHT ON SOME OF DELAPRE'S SESSIONS

1 Student Leadership

Across the term we will be building up student leadership opportunities for students in Delapre. This build confidence and a sense of responsibility for the school community, role modelling to others the expectations of the school. Sports leaders, Buddies, Lunch Leaders, Playtime leaders.

2 Transition

Transition and being in the community are important for Delapre. Across the next term we will be working on Year 6 transitions and community involvement including sports fixtures and visits to schools.

NOTE

If you have any waterproofs/welly boots children can use in these muddy months please bring them in!

We are a healthy school please pack healthy snacks.

All technology is collected at the beginning of the school day. Please remind about this at home too. Children who do not do this will need to leave their technology at home.

SCHOOL CLUBS
